This screenshot shows the 'How it works' page on the Airbnb help center. The page features a dark teal header with the Airbnb logo, a search bar, and links for 'Hosting help' and 'Traveling help'. A left sidebar contains a 'Getting started' section with links to 'Find a place to stay', 'Experiences', 'Business travel', 'Booking your trip', 'Payment', 'Your trips', 'Trip issues', 'Your account', 'Become a host', and 'Partners'. The main content area is titled 'How it works' and contains two sections: 'A community built on sharing' with an illustration of hands holding a key, and 'Trusted services' with an illustration of a hand holding a card with a padlock.

This screenshot shows the 'How do I search for a place to stay?' page. It features the same header and sidebar as the previous page. The main content area is titled 'How do I search for a place to stay?' and includes a paragraph of introductory text, a list of six numbered steps for searching, and a 'Note' about 'Good Value'. A 'Related articles' section is located at the bottom of the page.

This screenshot shows the 'Find a place to stay' page. It features the same header and sidebar. The main content area is titled 'Find a place to stay' and includes a paragraph of introductory text. Below the text is a table of contents with three items: 'Finding a place', 'Sending a reservation request', and 'Contacting hosts', each with a downward arrow. A 'Give feedback' link is located at the bottom left of the page.

This screenshot shows the 'Find a place to stay' page with a list of related articles. It features the same header and sidebar. The main content area is titled 'Find a place to stay' and includes a paragraph of introductory text. Below the text is a 'Finding a place' section with a list of ten related articles, each with an upward arrow. The articles are: 'How do I search for a place to stay?', 'How can I search for accessible listings?', 'How are price ranges calculated?', 'How do I use search filters?', 'What is self check-in?', 'How do I manage my list of saved homes?', 'How do I know if a listing is available?', 'How do I save a favorite home?', 'What are Neighborhoods?', and 'How do I search by neighborhood?'. The final article is 'What does the room type of a listing mean?'.
